

TRAILERS

2 500ℓ & 5 000ℓ FIRE FIGHTING TRAILER

Two Wheel

PTO Driven

Fire Fighting

The 2-wheel Fire Fighting Trailer falls under speciality trailers suitable for all agricultural farmers. 2-wheel Trailers have an advantage over 4-wheel Trailers because 2-wheel Trailers respond more accurately to the movements of the tractor - more than one 2-wheel Trailer can be tailed behind one another. The Fire Fighting Trailers are available in the following capacities: 2 500ℓ and 5 000ℓ. Hydraulic braking systems are an optional extra on all models and guarantees safe transportation.
